

Imi Ho'ola 2010–2011 Verification of Science Prerequisites

The following science prerequisites must be completed PRIOR to matriculation to the Imi Ho'ola Post-Baccalaureate Program at the University of Hawai'i John A. Burns School of Medicine.

- Biology (with lab).....8 semester credit hours**
- Molecular and Cell Biology.....3 semester credit hours**
- General Chemistry (with lab).....8 semester credit hours**
- Organic Chemistry (with lab).....8 semester credit hours**
- Biochemistry.....3 semester credit hours**
- General Physics (with lab).....8 semester credit hours**

Courses should be of the type acceptable for students majoring in the above areas and, except for Biochemistry and Molecular and Cell Biology, must include laboratory experience.

Please list all science courses completed or to be completed under the appropriate science prerequisites. A course can be listed under only one science prerequisite. The John A. Burns School of Medicine will review and determine acceptability of a course in fulfilling a specified science prerequisite. To ensure all courses listed meet the science prerequisite, you may be asked to submit a course syllabus or course description. Verification of science prerequisites is required by the Admissions Committee before an applicant is invited for interviews.
