

Space Committee

Open Forum Minutes

Where: MEB 202, Access Grid Room

When: Friday, June 9th, 2017

Time: 8:00 - 9:00am

Attended: Mariana Gerschenson, Nancy Foster, Kathleen Connolly, Youping Deng, Maria Chun (by phone), Patricia Blanchette

A. Updates – Space Changes

a. JABSOM

- i. Deborah Austin will move in to cube with sliding door mauka side of conference 224T
 - ii. New councilor will move into office adjacent to MEB 224T (mauka/diamond head)
- b. Bill Haning will be asked if his current cubicle space can be release if not in use
- c. Dr. Lishomwa Ndhlovu's request from December 2016 –Dr. Gerschenson has accommodated his request for space/hood in her current space, thus his need has been met

B. Space requests

a. AHEC – Complimentary and Integrative Medicine

- i. Preferred move is to give AHEC the cubicle that is currently occupied by Dr. Bill Haning
- ii. This will keep their group together
- iii. More investigation/work needed to address this request

b. Bioinformatics Core – Dr. Youping Deng (see attached ppt)

- i. Requesting 250 square feet wet lab space
- ii. 7 cubicles for bioinformatics core
- iii. 3 cubicles for wet lab staff
- iv. Post-doc scholar will be here one year
- v. Several areas of funding have been granted
- vi. Noted that graduate students do not get their own cubicle space
 1. If they are working on their dissertation, space may be granted if available
- vii. Currently the program has a total 6 people now including Dr. Deng (office 325B)

C. Next meeting will start at 8:30

- a. September 8th, 2017, 8:30 – 9:30am
