### Conference Overview

This one-day conference will update neurologists, primary care physicians, emergency medicine physicians, and associated healthcare providers on current hot-topics in neurology with the purpose of enhancing patient care.

### Target Audience
- Neurologists
- Primary Care Physicians
- Emergency Medicine Physicians
- Other Physicians
- Residents and Fellows
- Medical Students
- Nurses/Nurse Practitioners
- Physician Assistants

### Accreditation

The Potomac Center for Medical Education (PCME) designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The morning activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of HCCME and Hawaii Neurological Society. The HCCME is accredited by the ACCME to provide continuing medical education for physicians.

The afternoon activity has been planned and implemented in accordance with the Essential Areas and policies of the ACCME through the joint sponsorship of HCCME and Hawaii Neurological Society. The HCCME is accredited by the ACCME to provide continuing medical education for physicians.

| 8:30 am – 8:45 am | Welcome and Opening Remarks  
Peter Rossi, MD, FAAN  
President, Hawaii Neurological Society |
| 8:45 am – 9:45 am | The Emerging Science of Alzheimer’s Diagnosis and Therapy  
Marwan N. Sabbagh, MD, FAAN  
Director, Banner Sun Health Research Institute  
Research Professor of Neurology  
University of Arizona College of Medicine- Phoenix |
| 9:45 am – 10:45 am | Update and Advances in Epilepsy Management  
John Hixson, MD  
Associate Professor of Clinical Neurology  
University of California, San Francisco |
| 10:45 am – 11:00 am | Break and Exhibits                                                                               |
| 11:00 am – 12:00 pm | Updating and Advancing the Management of DMD Therapy in Multiple Sclerosis  
James Bowen, MD  
Medical Director, Multiple Sclerosis Center  
Swedish Neuroscience Center |
| 12:00 pm – 1:00 pm | Lunch and Exhibits                                                                               |
| 1:00 pm – 2:00 pm | Migraine Update: Current Concepts and Emerging Therapies  
Laura C. Miller, MD  
Staff Neurologist  
Pali Momi Medical Center |
| 2:00 pm – 3:00 pm | The Rise of the Phoenix: The Evolution of Mechanical Thrombectomy for Ischemic Stroke  
Sung Bae Lee, MD  
Assistant Clinical Professor of Medicine  
John A. Burns School of Medicine |
| 3:00 pm – 3:15 pm | Break and Exhibits                                                                               |
| 3:15 pm – 4:15 pm | Brain Abnormalities and Co-Morbid Neurological Disorders in Methamphetamine Users  
Linda Chang, MD, FAAN  
Professor of Medicine  
John A. Burns School of Medicine |

### Conference Topics

- Brain Abnormalities and Co-Morbid Neurological Disorders in Methamphetamine Users
- Update and Advances in Epilepsy Management
- The Emerging Science of Alzheimer’s Diagnosis and Therapy
- Migraine Update: Current Concepts and Emerging Therapies
- Updating and Advancing the Management of DMD Therapy in Multiple Sclerosis
- The Rise of the Phoenix: The Evolution of Mechanical Thrombectomy for Ischemic Stroke

---

**Learn about the common co-morbid illnesses that may lead to neurological disorders**

**Learn about neurocognitive consequences of methamphetamine use disorders**

**Learn about brain structural alterations in methamphetamine users across the age span**

**Learn about the common co-morbid illnesses that may lead to neurological disorders**
