HIGH FINANCIAL PRIORITY

Health Insurance Reimbursement for Financial Aid Recipients

Since health insurance is required by the medical school, the University of Hawaii at Manoa Financial Aid Services Office will reimburse financial aid students who purchased health insurance for themselves. Please see instructions below.

You must use your hawaii.edu email account to request for financial aid adjustments.

Deadline to submit request for reimbursement and proof of payment is 30 days before the end of Manoa AY terms (estimated Fall semester deadline: November 12, 2018 / estimated Spring semester deadline: April 10, 2019).

Information Required in Your Email:

To: JABSOM Financial Aid & Scholarships (medfas@hawaii.edu)

Re: Medical School Health Insurance Reimbursement

Name of Student:

UH Student ID#:

Amount Paid: $ (receipt attached)

Confirmation of which loan to increase:

(Example): “Please increase my Unsubsidized Loan to the maximum amount eligible. If there is a balance remaining, please apply that to the Grad PLUS loan.”

[If this example does not apply to you, please contact Financial Aid for other options at finaid@hawaii.edu].

IMPORTANT

The purchase must be made by you (student) and your name must be on the insurance payment receipt.

Students can request for reimbursement by semester or for the year. If paying monthly, then provide at least proof of payment for two consecutive months during that term.

Disbursement:
The Financial Aid Office will process disbursements in equal amounts for Fall and Spring if paying for the year or in monthly installments. If paying for only a term, then your aid will be increased for that specific term.
