Willed Body Memorial Service

April 15, 2023

He pūnāwai kahe wale ke aloha
Love is a spring that flows freely
Love is without bounds and exists for all

Aloha

The JABSOM Classes of 2025 and 2026 would like to express our deepest appreciation to the women and men who have selflessly given their bodies so that we may learn.

The Willed Body Program allows Hawai'i residents to make a significant difference by donating their bodies to advance the teaching of medicine and surgery at the University of Hawai'i at Mānoa, John A. Burns School of Medicine.

We would like to thank the family and friends for supporting the decisions of their loved ones.

For more information, please call (808) 692-1445.
