1. Identifying Information, Organization, and Location

- Name: Enter the name of the senior/key person (Last name, First name, Middle name, including any applicable suffix).
- ORCID ID: Enter the ORCID ID of the senior/key person.
- Position Title: Enter the current position title of the senior/key person.
- Organization Name: Enter the name of the primary organization of the senior/key person.
- Location: Enter the City, State/Province, and Country where the primary organization is located.

2. Proposals and Active Projects

- In this section, disclose ALL proposals and active projects in accordance with the definition for current and pending (other) support:

All resources made available, or expected to be made available, to an individual in support of the individual's research and development efforts, regardless of (i) whether the source is foreign or domestic; (ii) whether the resource is made available through the entity applying for a research and development award or directly to the individual; or (iii) whether the resource has monetary value.

- Include the following details for each:
 - **Title** of active project or proposal
 - **Status of Support** - Select one of the following:
 - Current – all projects obligated from whatever source irrespective of whether such support is provided through the proposing organization or is provided directly to the individual.

- Pending – all projects currently under consideration from potential funding organizations irrespective of whether such support is provided through the proposing organization or is provided directly to the individual.
- **Proposals and Active Award Number** (if available)
- **Source of Support**
 - Identify the entity that is providing the support.
 - Include all Federal, State, Tribal, territorial, local, foreign, public or private foundations, non-profit organizations, industrial or other commercial organizations, or internal funds allocated towards certain projects.
- **Primary Place of Performance** (location): City, State/Province, Country. Enter N/A if State/Province not applicable
- **Proposals and Active Projects Start Date** (mm/yyyy)
- **Proposals and Active Projects End Date** (mm/yyyy)
- **Total Anticipated Proposals and Projects Amount** (in USD)
 - Enter the total award amount for the entire period of performance, inclusive of indirect costs, rounded to the nearest dollar.
 - If the dollar value is not readily ascertainable, a reasonable estimate should be provided.
 - If the support is in a foreign country's currency, convert to U.S. dollars at time of submission.
- **Person-Month(s) (or Partial Person-Months) Per Year** Devoted to the Proposal/Active Project
 - Enter how much time the individual anticipates is necessary to complete the scope of work on the proposal and/or active project.
 - Enter the number of person-months (even if unsalaried) for the current budget period and enter the proposed person-months for each subsequent budget period.
 - If the time commitment is not readily ascertainable, a reasonable estimate should be provided.
- **Overall Objectives:** brief statement of overall objectives, limited to 1500 characters
- **Statement of Potential Overlap**
 - Enter a description of the potential overlap with any pending proposal or active foreign or domestic project and this proposal in terms of scope, budget, or person-months planned or devoted to the project by the individual.
 - If there is no potential overlap, enter "None" in this field.
 - See section on reporting subsumed effort on Mentored Career Development Awards (CDA) if applicable

3. In-Kind Contributions

In this section, disclose ALL in-kind contributions with an estimated dollar value of **\$5000 or more** and that require a commitment of the individual's time.

An in-kind contribution is a non-cash contribution provided by an external entity that directly supports the individuals' research and development efforts; may include but is not limited to: real property, laboratory space, equipment, data or data sets, supplies, other expendable property, goods and services; employee or student resources.

*In-kind contributions with an estimated value of **less** than \$5000 need **not** be reported.*

- Include the following details for each:

- **Status of Support:** Select one of the following:
 - Current – all in-kind contributions obligated from whatever source irrespective of whether such support is provided through the proposing organization or is provided directly to the individual.
 - Pending – all in-kind contributions currently under consideration from potential funding organizations irrespective of whether such support is provided through the proposing organization or is provided directly to the individual.
- **Receipt (or Anticipated Receipt) Date of Contribution (mm/yyyy)**
- **Source of Support**
 - Identify the entity (or entities) that is providing the in-kind contribution.
 - Include all Federal, State, Tribal, territorial, local, foreign, public or private foundations, non-profit organizations, industrial or other commercial organizations, or internal funds allocated towards certain projects.
- **Receipt (or Anticipated Receipt) Date of Contribution (mm/yyyy)**
- **Summary of In-Kind Contribution:** enter a summary of the in-kind contribution not intended for use on the proposal/active project.
- **Person-Month(s) (or Partial Person-Months) Per Year Devoted to the In-Kind Contribution**
 - Enter how much time the individual anticipates is necessary to complete the scope of work associated with use of the in-kind contribution
 - Enter the number of person-months (even if unsalaried) for the current budget period and enter the proposed person-months for each subsequent budget period.
 - If there is no associated time commitment, the in-kind contribution need not be reported.
- **U.S. Dollar Value of In-Kind Contribution**
 - Enter the value in USD of the in-kind contribution with an estimated value of **\$5,000 or more**.
 - If the dollar value is not readily ascertainable, a reasonable estimate should be provided.
 - If the support is in a foreign country's currency, convert to U.S. dollars at the time of submission, rounded to the nearest dollar.
- **Overall Objectives:** brief statement of overall objective of the on-kind contribution(s), limited to **1500** characters
- **Statement of Potential Overlap:** enter a description of the potential overlap with any current or pending foreign or domestic in-kind contribution and this proposal in terms of scope, budget, or person-months planned or devoted to the project by the individual.
 - If there is no potential overlap, enter "None" in this field.
 - See below on how to report subsumed effort on Mentored Career Development Awards (CDA)

Special Instructions for Mentored Career Development Awards (CDA) and Subsumed Effort:

As outlined in the NIH Grants Policy Statement 12.3.6.1 Mentored CDAs:

- in cases where Mentored CDA recipients are reporting complementary effort without salary support on other research grants that include related research between the CDA and the research grant, and there is scientific overlap, the *percent effort on the research grant is subsumed within the required effort of the CDA*.
- To report *this subsumed effort*, indicate “Effort Subsumed Under <insert **full Proposal/Active Project Award Number of CDA**>” as the first text in the “Statement of Potential Overlap” field of the applicable Research Grant.

Special Instructions for Consortium/Contractual Arrangements or Multi-Project Awards:

When providing Current and Pending (Other) Support under a consortium/contractual arrangement or that is part of a multi-project award:

- Indicate the *proposal/active project award number, and source of Support for the overall project.*
- Provide **all other information** (e.g., total anticipated proposal/project amount, person months, etc.) for the **subproject** only.

*Certification

Each senior/key person is required to complete the following certifications regarding the information provided in their Current and Pending (Other) Support:

I certify that the information provided is current, accurate, and complete. This includes, but is not limited to, information related to current, pending, and other support (both foreign and domestic) as defined in 42 U.S.C. §6605.

I also certify that, at the time of submission, I am not a party in a **malign foreign talent recruitment program**.

I also certify that, as **senior/key personnel** listed within this application, I have taken the required research security training consistent and in compliance with Section 10634 of the CHIPS and Science Act of 2022.

Misrepresentations and/or omissions may be subject to prosecution and liability pursuant to, but not limited to, 18 U.S.C. §§287, 1001, 1031 and 31 U.S.C. §§3729-3733 and 3802.

Signature: (**important note: **date of the signature** must be **within the past 12 months** from when the document is submitted to the federal research funding agency*)

Date:

Note: A Privacy Act and Burden Statement must appear on the Current and Pending (Other) Support Common Form. Each Federal research funding agency that elects to use these forms must replace the following language and incorporate their specific System of Records Notice in their PRA common forms request submitted to OMB/OIRA for clearance.

*Privacy Act and Burden Statement:

Public reporting burden for this collection of information is estimated to average two hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to:
