

Willed Body Memorial Service

April 26, 2025

***University of Hawai'i at Mānoa
John A. Burns School of Medicine***

Aloha

The JABSOM Classes of 2027 and 2028 would like to express our deepest appreciation to the women and men who have selflessly given their bodies so that we may learn.

The Willed Body Program allows Hawai'i residents to make a significant difference by donating their bodies to advance the teaching of medicine and surgery at the University of Hawai'i at Mānoa, John A. Burns School of Medicine.

We would like to thank the families and friends of our silent teachers for supporting the decisions of their loved ones.

For more information, please call (808) 692-1445.
