We are available to answer your questions and assist you with borrowing library materials, M-F, 8am-5pm

Chat via our website
Email - hslinfo@hawaii.edu
Zoom - https://hawaii.zoom.us/j/8086920810
In person! Visit our information desk in the library
You have same access to resources as Manoa campus

You have remote access to all online resources
Start here:  
https://hslib.jabsom.hawaii.edu/library

Or Google: JABSOM library
Library website:

http://hslib.jabsom.hawaii.edu

OneSearch - search by title for books & articles

Quick links - quick access to databases

Student Resources quick access to books for assignments
This (and ClinicalKey and LWW) are special databases that can search text within books and articles. Also contains images, drug monographs.
ALWAYS use the library's link to PubMed to avoid paywalls.
To access full-text articles, enter databases through the library homepage and use the Find It button. Make sure you use the Find It button to link to UH full-text. (Publisher buttons are not as consistent.)
When the library doesn’t have full-text available, use interlibrary loan (ILL)
List of more databases available!

- Graphic novels are real books! Don’t argue, I’m a librarian.
- Words + Images = increased reading comprehension and improved recall
- You don’t have to suffer to read them!
- These are just a few examples on the left. There’s much more in our subject guide!
Don’t get frustrated. Contact us!

hslinfo@hawaii.edu

Thank you and good luck!
