Willed Body Memorial Service

April 10, 2021

O ka pono ke hana 'ia a iho mai na lani
Continue to do good until the heavens come down to you.

-Mary Kawena Pukui
The JABSOM Classes of 2023 and 2024 would like to express our deepest appreciation to the women and men who have selflessly given their bodies so that we may learn.

The Willed Body Program allows Hawai‘i residents to make a significant difference by donating their bodies to advance the teaching of medicine and surgery at the University of Hawai‘i at Mānoa, John A. Burns School of Medicine.

We would like to thank the family and friends for supporting the decisions of their loved ones.

For more information, please call (808) 692-1445.
